This 2-day summit will equip the homeowner, fire departments, and wildland firefighters with information and actions they can take to reduce loss and increase safety in their communities.

Topics include fire ecology, hazardous fuel reduction grants, insurance issues, risk assessments, Fire Adapted Communities, Ready, Set, Go!, Firewise principles, emergency management, forest health, and various programs to help the homeowner and community prepare for wildland fire.

Representatives from private, city, county, state, and federal agencies will be present, including Arizona State Forestry, Bureau of Land Management, US Forest Service, Arizona Prescribed Fire Council, Southwest Fire Science Consortium, APS, SRP, Arizona Nursery Association, Arizona State Fire Marshal, and the National Fire Protection Association.
